

Commercial Electrical Equipment Approval Information Sheet

Any electrical equipment/apparatus installed in Bloomington is required to be listed and labeled by a nationally recognized testing laboratory.

Non-listed electrical equipment requires independent third party evaluation in conformance with the Minnesota Electrical Act.

For information, visit the Minnesota Office of the Revisor of Statutes website at www.revisor.leg.state.mn.us, keyword search by Rules: 3801.3619.

This information is a guide to the most common questions. It is not intended, nor shall it be considered, a complete set of requirements.
